

STATEMENT ON CORPORATE GOVERNANCE

The Board of Directors of WCT Berhad ("the Company") fully supports and is committed to the principles and best practices set out in Parts 1 and 2 of the Malaysian Code on Corporate Governance ("the Code") respectively to ensure that the highest standards of corporate governance are practised throughout the Group.

This statement, approved by the Board via a resolution adopted on 30 March 2010, outlines how the Group has applied the principles laid down in the Code. Except for matters specifically identified, the Board of Directors has complied with the best practices set out in the Code.

DIRECTORS

The Board

The Group is led by a sound and experienced Board which plays an important role in the stewardship of its direction and operations. It focuses mainly on strategies, financial performance and critical business issues, including the following specific areas to ensure that the governance of the Group is firmly in its hands:-

- Business plan and direction of the Group
- The Group strategic action plans
- Financial performance and key performance indicators
- Acquisition and divestment policy
- Major investment decisions
- Internal control system

The Board also has a well-defined framework on the various categories of matters that require the Board's approval, endorsement or notation as the case may be. The Board is ably supported by the Management Committee, whose responsibility is to implement the Group's strategy. The Statement on Internal Control as disclosed in this Annual Report sets out the membership, functions, roles and responsibilities of the Management Committee.

The Board meets at least four (4) times a year, with additional meetings to be convened as necessary. Issues deliberated at such meetings and the relevant decisions made are duly minuted. During the financial year ended 31 December 2009, five (5) meetings were held. Details of the attendance of the Directors at the Board Meetings are as follows:

| Directors | No. of Meetings Attended |
|--|--------------------------|
| Dato' Capt. Ahmad Sufian @ Qurnain bin Abdul Rashid | 4/5 |
| Taing Kim Hwa | 5/5 |
| Goh Chin Liong | 5/5 |
| Wong Sewe Wing (<i>Retired on 16 January 2010</i>) | 4/5 |
| Choe Kai Keong | 5/5 |
| Liang Kai Chong | 5/5 |
| Loh Siew Choh | 5/5 |
| Cheah Hon Kuen | 5/5 |
| Choo Tak Woh | 5/5 |

In the intervals between Board meetings, for exceptional matters requiring urgent Board decisions, Board approvals are sought via circular resolutions which are attached with sufficient and relevant information required for an informed decision to be made. Where a potential conflict arises in the Group's investment, projects or any transactions involving Director's interest, such Director is required to declare his interest and abstain from further discussion and the decision making process.

Board Balance

As at 31 December 2009, the Board comprises nine (9) members, six (6) of whom are Executive Directors and the remaining three (3) are Independent Non-Executive Directors. Following Mr Wong Sewe Wing's retirement on 16 January 2010, the Board currently comprises eight (8) members: five (5) Executive Directors and three (3) Independent Non-Executive Directors.

Each Director's brief profile is presented under the section titled "Profiles of Directors" of this Annual Report.

There is a clear division of responsibility between the Chairman and the Managing Director of the Group in order to provide for balance of power and authority. The Chairman is an Independent Non-Executive Director and has not held any executive positions in the Group. He is responsible for ensuring the Board's effectiveness and conduct as well as facilitating constructive deliberation of all matters presented.

The Managing Director has overall responsibility for the operating units, organisational effectiveness and implementation of the Board's policies and decisions.

Although all the Executive Directors have an equal responsibility for the Group's operations, the presence of the Independent Non-Executive Directors on the Board fulfils an important role in ensuring corporate accountability, as they provide unbiased and independent views, advice, opinions and judgments to take into account the interests, not only of the Group but also of the shareholders, employees, customers, suppliers and the many communities in which the Group conducts its business. The Board is satisfied that the current Board composition fairly reflects the interest of the minority shareholders of the Company.

The Independent Non-Executive Directors are actively involved in the various Board Committees and visit the Group's project sites both local and overseas in getting a first hand assessment. They provide broader views, independent assessments and opinions on management proposals sponsored by the Executive Directors.

In view of the current composition of the Board, particularly the clear and strong independent element and the separation of the roles between the Chairman and Managing Director, the Board does not consider it necessary to nominate a Senior Independent Non-Executive Director to whom concerns may be conveyed.

The Board has reviewed and is satisfied that its current size and composition provides an effective blend of entrepreneurship, business and professional expertise in general management, finance and technical areas of the industries the Group is involved in. The mixture of skills and experience is vital for the continued success and direction of the Group. A key strength of this structure has been the speed of decision-making on critical matters.

Board Committees

Where appropriate, matters have been delegated to Board Committees, all of which have written terms of reference to assist the Board in discharging its duties and responsibilities. The Board receives the reports of their proceedings and deliberations at its scheduled Board meetings.

(1) Audit Committee

The composition of the Audit Committee is in compliance with the Listing Requirements of Bursa Malaysia Securities Berhad ("Bursa Securities"), including the requirement that all its members are non-executive directors with independent non-executive directors forming the majority and one of the members being a qualified accountant.

The primary objective of the Audit Committee is to assist the Board of Directors in fulfilling its responsibilities relating to the Group's financial reporting and internal control systems. Details of the Audit Committee's terms of reference and activities during the financial year are disclosed in the Audit Committee Report.

The Audit Committee is able to obtain external professional advice and where necessary, invite outsiders with relevant experience to attend its meeting to seek opinions, viewpoints and clarifications.

- (f) Review annually the required mix of skills, experience and other qualities including core competencies which each director should bring to the Board; and
- (g) Ensure that all reviews, assessments and evaluations are properly documented.

The NRC meets at least once a year and whenever required. In 2009, two (2) meetings were held and attended by all the members.

During the financial year, the NRC reviewed the re-election of three (3) directors retiring by rotation at the 28th Annual General Meeting, the annual increment and bonuses of all executive directors, the annual assessment and evaluation of the Board, committees of the Board and the individual directors as well as the annual review of the Board in respect of its size and the required mix of skills and experience. All recommendations of the NRC are subject to endorsements by the Board.

(3) Options Committee

The Options Committee is established to administer the Company’s Employees’ Share Options Scheme in accordance with the objectives and regulations thereof and to determine participation eligibility, option offers and share allocations and to attend to such other matters as may be required. The members of the Options Committee are as follows:-

- (i) Cheah Hon Kuen (Chairman);
- (ii) Taing Kim Hwa; and
- (iii) Goh Chin Liong.

The agenda for each of the meetings were accompanied by the minutes of preceding meetings of the Board and Board Committees, reports on group financial performance, operational performance of its business units including overall quality and delivery of products and services, market analyses, quarterly results for announcements, updates on material litigations (if any) and other relevant information. The Board papers are comprehensive and encompass all aspects of the matters being considered, enabling the Board to look at both quantitative and qualitative factors so that informed decisions may be made.

The Directors have access to the advice and services of the Company Secretary and all necessary external professional advice, when required, at the Company’s expense.

Appointments and re-elections to the Board

The NRC is responsible for making recommendations for any appointments to the Board. In making these recommendations, the NRC considers the required mix of skills and experience which the Directors should bring to the Board.

As part of the process of appointing new Directors, the Board ensures that the new Directors are provided with an orientation programme. For the re-election of Directors, the Company's Articles of Association requires that the number of Directors nearest to, but not greater than one third retire by rotation each year and seek re-election at the Annual General Meeting. The Directors required to retire are those who have been longest in office since their last election.

A retiring director is eligible for re-election. This provides an opportunity for shareholders to renew mandates. The election of each director is voted on separately. To assist shareholders in their decision, sufficient information such as personal profile and the shareholdings in the Group of each director standing for election will be furnished in the Annual Report.

DIRECTORS' REMUNERATION

The objective of the Group's Remuneration Policy is to attract and retain the Directors required to lead and control the Group effectively. Generally, the remuneration of each Director reflects the level of responsibility and commitment that goes with his Board and/or Board Committee memberships.

In the case of Executive Directors, the Group aims to strike a balance between a level of remuneration which is sufficient to act as an incentive to the Executive Directors while at the same time challenging them to drive the growth of the Group's business and to maximize the return to shareholders. There are three (3) components to the Executive Directors' remuneration:-

- Basic salary and benefits;
- Annual bonus which is a percentage of salary and is linked to individual and corporate performance; and
- Long-term incentives.

Generally, salaries are established in accordance with each Executive Director's level of responsibility and experience, having taken into account the remuneration and employment conditions within the construction and property industries. Long-term incentives are implemented through share-based schemes to align the Executive Directors' interest more closely to those of the shareholders.

The NRC also reviews and recommends for the Board's approval all other Directors' fees. In addition, the Company reimburses reasonable expenses incurred by these Directors in the course of their duties as Directors. Besides meeting attendance allowance, Independent Non-Executive Directors who are members of Board Committees are also paid committee fees.

In Accordance with Article 72 of the Company's Articles of Association, the shareholders had on 18 October 2001 approved in advance an annual payment of Directors' fees of an aggregate amount not exceeding RM300,000/- to be divided amongst the Directors in such manner as they may determine for the financial year ended 31 January 2002 and for each financial year thereafter.

At the Company level, the total Directors' fees for the financial year ended 31 December 2009 is RM264,000/-. The Board will seek shareholders' approval when there is a need to revise the said aggregate amount.

Disclosure

The Board has considered disclosure of details of the remuneration of each Director. The Board is of the view that the transparency and accountability aspects of corporate governance as applicable to Directors' Remuneration are appropriately served by the "band disclosure" as required by the Listing Requirements of Bursa Securities.

COMMUNICATION WITH SHAREHOLDERS AND INVESTOR RELATIONS

Dialogue between the Company and Investors

The Group values and strongly believes in the importance of good communication with shareholders, potential investors and the public. This is to ensure that all shareholders, both institutional and individual investors, have full access to the information disclosed by the Company. It does this through the Annual Report, Annual General Meeting, the Company's website (www.wct.com.my) and timely release of all corporate announcements and financial results, thus providing shareholders and the investing public with an overview of the Group's performance and operations. All enquiries made are dealt with as promptly as practicable.

The Annual Report remains the Company's main source of information for investors while the website, which has a dedicated investor relations section, is intended to provide comprehensive information about the Group to a wider segment of the investing public.

Another important channel of communication with shareholders, investors and the general investment community, both locally and internationally, is the Group's investor relations activities. The Company conducts regular briefings with financial analysts and fund managers from time to time as a means of maintaining and improving investor relationship. At least two (2) analyst briefings are held each year, usually to coincide with the release of the Group's half-year and year-end financial results to explain the results achieved and the Group's strategic business plans with the aim of fostering better understanding of the Group's objectives. Additional engagements with analysts and fund managers may be held via teleconferencing as and when required. A press conference is normally held after the Annual General Meeting or any Extraordinary General Meeting of the Company.

In these exchanges, presentations based on permissible disclosures are made to explain the Group's performance and major development programmes. Price-sensitive and information that may be regarded as undisclosed material information about the Group is, however, not disclosed until after the prescribed announcement to Bursa Securities has been made.

The Company has over the years used the Annual General Meeting as a forum of communication with its shareholders. The Board encourages participation from shareholders by having a question and answer session during the Annual General Meeting whereby the Directors are available to discuss aspects of the Group's performance and its business activities. Each item of special business included in the notice of the meeting is accompanied by a full explanation of the effects of a proposed resolution. Separate resolutions are proposed for substantially separate issues at the meeting and the Chairman declares the number of proxy votes received, both for and against each separate resolution where appropriate.

ACCOUNTABILITY AND AUDIT

Financial Reporting

The Board continually strives to provide and present a balanced and meaningful assessment of the Group's financial performance and prospects at the end of the financial year, primarily through the annual financial statements, quarterly announcements of results to shareholders as well as the Chairman's statement and review of operations in the annual report.

In preparing the financial statements, the Group has used appropriate accounting policies, consistently applied and supported by reasonable and prudent judgements and estimates. All accounting standards that the Board considers to be applicable have been followed if required.

The Board is assisted by the Audit Committee to oversee the Group's financial reporting processes and the quality of its financial reporting.
