Dear Shareholders,

**Re: eDividend (Electronic Dividend) Service**

The eDividend service, initiated by Bursa Malaysia Berhad, aims to promote greater efficiency in the payment of cash dividends. Shareholders who have registered for the eDividend service and provided their bank account information to Bursa Malaysia Depository Sdn Bhd ("Bursa Depository"), will have their cash dividends directly credited into their bank accounts.

**1. Benefits of eDividend**

- (a) Faster access to your cash dividends;
- (b) The convenience of a one-off registration for entitlement to eDividend from all listed issuers;
- (c) The option to consolidate the dividends from all your Central Depository System ("CDS") accounts into one bank account for better account management;
- (d) Eliminates the inconvenience of having to deposit various dividend cheques into your bank accounts;
- (e) Eliminate issues pertaining to misplaced, lost or expired cheques; and
- (f) Eliminates unauthorised deposit of dividend cheques.

**2. Registration for eDividend**

You may register for the eDividend service through your stock broker by completing the prescribed form and providing your bank account number and other relevant information to Bursa Malaysia Depository Sdn Bhd ("**Bursa Depository**"). This form can be obtained from your stock broker's office where your CDS account is maintained, or downloaded from Bursa Malaysia's website at <http://www.bursamalaysia.com>.

To register, you need to submit the duly completed prescribed form to your stock broker's office together with the following:-

- (a) **For individual depositor:** A copy of your identification document, i.e. NRIC, Passport, Authority Card or other acceptable identification documents. Original documents must be produced for your stock broker's verification;

**For corporate depositor:** A certified true copy of the Certificate of Incorporation / Certificate of Registration; and

- (b) A copy of your bank statement / bank savings book / details of your bank account obtained from your bank's website that has been certified by your bank / copy of letter from your bank confirming your bank account particulars. For individuals, original documents must be produced for your stock broker's verification. For corporate entities, a certified true copy is to be submitted.

If the CDS account is held in the name of a nominee, the nominee will register for the eDividend.

If you are unable to be present at your stock broker's office to submit the prescribed form and supporting documents, please ensure that the signing of the prescribed form and the supporting documents have been witnessed by an acceptable witness specified by Bursa Depository. In this regard, an acceptable witness includes an Authorised Officer of your stock broker, a Dealer's Representative, a notary public and an Authorised Officer of the Malaysian Embassy / High Commission.

### **3. Notification of eDividend payment after registration**

You are encouraged to provide in the prescribed form to Bursa Depository both your mobile phone number and e-mail address, if any. This is to enable the Company to issue electronic notification to you either via e-mail or sms, at the discretion of the Company, once the Company has paid the cash dividend out of its account. Please note that if you provide only your mobile phone number, you may only be notified of the cash dividend payment when you receive your dividend warrant or tax certificate.

### **4. Additional information for shareholders**

The savings or current account to be registered for eDividend must be active and under your name, or in the case of a joint account, has your name as one of the account holders. It must be maintained with a financial institution which is a member of the Malaysian Electronic Payment System Inter-Bank GIRO (MEPS IBG) as listed below.
