In this regard, the Proposed Renewal of RRPT Mandate, if approved, will facilitate such transactions between the WCT Group and the Related Parties that may arise in the normal course of operations of the WCT Group in a more expeditious manner.

The Recurrent Related Party Transactions which fall under the Proposed Renewal of RRPT Mandate shall comprise of the following:

2.6 Review and Approving Procedures for Recurrent Related Party Transactions

The WCT Group has established internal review and approving procedures to ensure the Recurrent Related Party Transactions are entered into on an arm's length basis which are not more favourable than those transacted with the public or third parties and are not detrimental to the interest of the minority shareholders of the Company summarised as follows:

(i) **RRPT Contracts from Related Parties**

Any tender, quotation or contract proposed to be submitted/entered into to/with the Related Parties shall be subject to the following policies and procedures:

- (a) The pricing for the contracts to be tendered by and/or services to be provided by the WCT Group to the Related Parties is determined in accordance with the Group's normal business practices and policies, consistent with the usual profit margin which would have been earned for the same or substantially similar type of transactions entered into by the WCT Group with unrelated third parties after adjusting for the then prevailing market conditions, the nature and complexity of the contract works and/or services required by the Related Parties; and
- (b) Where applicable, practical and feasible, the terms and pricing for at least 2 other contemporaneous or comparable transactions with unrelated third parties for similar contract works, services and/or quantities will be used as comparison to determine whether the price and terms offered to the Related Parties are fair and reasonable and comparable to those offered to the unrelated third parties for the same or substantially similar type of contract works, services and/or quantities.

(ii) **RRPT Contracts to Related Parties**

Any award letters or contract proposed to be executed with the Related Parties shall be subject to the following policies and procedures:

- (a) The pricing for the contracts to be awarded to the Related Parties and/or for services to be provided by the Related Parties to the WCT Group is determined in accordance with the Group's normal business practices and policies, consistent with the usual profit margin which would have been accorded for the same or substantially similar type of transactions involving unrelated third parties after adjusting for the then prevailing market conditions, the nature and complexity of the contract works and/or services required to be provided by the Related Parties; and
 - (b) Where applicable, practical and feasible, the terms and pricing for at least 2 other contemporaneous or comparable transactions with unrelated third parties for similar contract works, services and/or quantities will be used as comparison to determine whether the price and terms offered by the Related Parties are fair and reasonable and comparable to those offered by the unrelated third parties for the same or substantially similar type of contract works, services and/or quantities.
- (iii) The award of construction and/or project management or construction related services contracts to/by the Related Parties shall only be offered/accepted by the WCT Group after obtaining the approval of the Board of the Company with prior review by the Audit Committee. The interested Directors shall abstain from all deliberations and approval at all the relevant Board meeting. There is no specific threshold for approval for such RRPT as all of these transactions are subject to the approval of the Board of the Company with prior review by the Audit Committee.
- (iv) All RRPT will be recorded in a register to be maintained by the Company Secretary. In the event where the actual value of the RRPT exceeds the estimated value by 10% or more, such RRPT and the reasons for such deviation will be immediately announced by the Company via Bursa Securities.
- (v) The Audit Committee will undertake the following annual review (or as and when necessary):
- (a) To ascertain whether the established guidelines and procedures for the RRPT have been complied with; and
 - (b) To ascertain whether the established guidelines and procedures for the RRPT have become inappropriate, and/or are unable to ensure that the transactions will be on normal commercial terms, and/or prejudice the interests of shareholders generally.
- (vi) The Internal Auditors will conduct reviews on the RRPT to ensure that the review and approving procedures pertaining to the transactions are adhered to. Any divergence will be reported by the Internal Auditors to the Audit Committee and the Board accordingly.
- (vii) Should the Audit Committee during its review form an opinion that the RRPT are not being conducted in accordance with the established guidelines and procedures or are not being conducted on an arm's length basis or on normal commercial terms, or are detrimental to the interests of shareholders, the Board will be advised to take the necessary actions to remedy the non-compliance, including to convene a general meeting of shareholders to seek shareholders' approval for the RRPT, if deemed necessary.

2.7 Statement by the Audit Committee

The Audit Committee of the Company has seen and reviewed the guidelines and procedures as mentioned in Section 2.6 above and is of the view that the terms of the said guidelines and procedures established are sufficient to ensure that the RRPT entered into by the Group can be conducted in a manner which is not more favourable to the Related Parties than those generally available to the public or third parties and are not to the detriment of the minority shareholders of the Company.

The Audit Committee of the Company is also of the view that the Group has in place adequate procedures and processes to monitor, track and identify RRPT in a timely and orderly manner.

3. RATIONALE AND BENEFITS OF THE PROPOSED RENEWAL OF RRPT MANDATE

In the ordinary course of business of the WCT Group, the Group may engage in RRPT Contracts from Related Parties, which include entering into certain construction contracts with or provide project management or construction related services to certain companies/entities which are involved in construction projects and/or property development activities which are deemed as Related Parties.

In addition to such RRPT Contracts from Related Parties, the property development subsidiaries of the WCT Group may also consider entering into transactions relating to RRPT Contracts to Related Parties, which entail engaging the construction and/or project management or construction related services of certain companies/entities which are deemed as Related Parties.

Where such contracting companies/entities are deemed as Related Parties, such RRPT Contracts from Related Parties and RRPT Contracts to Related Parties are therefore regarded as related party transactions. Accordingly, the Company would be required to, amongst others, make public announcements and/or, where applicable, seek its shareholders' approval before entering into such related party transactions in compliance with Chapter 10 of the Listing Requirements.

As these transactions may likely recur from time to time, it would not be practical for the Company to convene general meetings to approve such transactions on a frequent basis. The entering of such contracts with the Related Parties would also be constrained by the requirement to make announcements as it would not be practical for details of the contracts to be made public due to confidentially undertakings. Further, it would also compromise the competitiveness of our Group as a contractor or project manager if details of such contracts are made publicly available.

As long as the RRPT are entered into by the Group based on arm's length basis and on normal commercial terms which are not more favourable to the Related Parties than those generally available to the public or third parties, the entering into such RRPT Contracts from Related Parties would benefit the Group as it would further enhance the construction order book of the Group and its earnings base.

Where the pricing and terms offered by the Related Parties for the RRPT Contracts to Related Parties are on an arm's length basis and on normal commercial terms which are not more favourable to the Related Parties than those generally available to the public or third parties, the entering into such RRPT Contracts to Related Parties by the WCT Group, provides the Group with an alternative option to engage certain Related Parties as contractors and/or project management service providers which are also capable and competent, in addition to the Group's existing panel of third party contractors and service providers.

The Proposed Renewal of RRPT Mandate, if approved at the forthcoming AGM, would allow our Group to enter into such RRPT with the Related Parties without the need to make any public announcements and/or convene general meetings to approve such transactions whenever such transactions arise from time to time, thereby reducing the administrative time, efforts and costs associated with convening of such general meetings.

4. CONDITION FOR THE PROPOSED RENEWAL OF RRPT MANDATE

The Proposed Renewal of RRPT Mandate is conditional upon approval being obtained from the shareholders of WCT at the forthcoming 10th AGM.

No other regulatory approvals are required for the Proposed Renewal of RRPT Mandate.

5. INTERESTS OF DIRECTORS AND MAJOR SHAREHOLDERS AND/OR PERSONS CONNECTED

Tan Sri LSC and Dato' LTF shall undertake to abstain from voting in respect of their direct and indirect shareholdings (if any) in WCT on the resolution pertaining to the Proposed Renewal of RRPT Mandate to be tabled at the forthcoming AGM of the Company.

Tan Sri LSC undertakes to ensure that the Persons Connected to him (including Dominion Nexus Sdn Bhd and Legacy Pacific Limited) will abstain from voting in respect of their direct and indirect shareholdings in WCT on the resolution pertaining to the Proposed Renewal of RRPT Mandate. In addition, Dato' LTF also undertakes to ensure that any Persons Connected to him will abstain from voting in respect of their direct and indirect shareholdings in WCT on the resolution pertaining to the Proposed Renewal of RRPT Mandate.

Save as disclosed above, none of the other Directors, Major Shareholder and/or persons connected to them have any interest, direct or indirect, in the Proposed Renewal of RRPT Mandate.

The shareholdings of the aforementioned interested Directors and Major Shareholders of WCT as at LPD are set out below:

Name	Direct interest		Indirect interest

The maximum number of WCT Shares that may be bought back by the Company is 10% of the Company's total number of issued and paid-up ordinary shares at any point of time during the tenure of validity of the Proposed Renewal of Share Buy-back Authority, subject to compliance with the Act, Listing Requirements and any prevailing rules and regulations issued by the relevant authorities at the time of the purchase.

(a) Quantum

Under the Proposed Renewal of Share Buy-back Authority, the Board is seeking the authority to purchase up to 141,815,047 WCT Shares representing approximately 10% of the total of 1,418,150,471 WCT Shares as at LPD (inclusive of 14,941,027 WCT Shares already purchased and retained as treasury shares as at LPD).

The actual number of WCT Shares which may be purchased pursuant to the Proposed Renewal of Share Buy-back Authority and the total amount of funds involved will depend on, inter-alia, the market conditions, the availability of financial resources and the retained profits of the Company.

(b) **Funding**

The WCT Shares to be purchased under the Proposed Renewal of Share Buy-back Authority are intended to be financed through internally generated funds of the Company. The actual amount to be utilised will depend on the number of WCT Shares to be purchased, the prevailing market prices of WCT Shares and the availability of funds at the time of purchase.

The maximum amount of funds to be utilised by the Company for the Proposed Renewal of Share Buy-back Authority will not exceed the retained profits of the Company. Based on the latest audited financial statements of WCT for the financial year ended 31 December 2020, the audited retained profits of the Company as at 31 December 2020 are approximately RM187.795 million.

(c) **Purchase Price**

In compliance with the Listing Requirements, the Company may only purchase WCT Shares on Bursa Securities at a price which is not more than fifteen per cent (15%) above the weighted average market price of WCT Share for the five (5) market days immediately preceding the date of the purchase.

(d) **Treatment of Purchased Shares**

The Board may deal with the Purchased Shares in accordance with Section 127 of the Act in the following manner:

- (i) to cancel the Purchased Shares; or
- (ii) to retain the Purchased Shares as treasury shares for distribution as dividends to the shareholders of the Company and/or resell on Bursa Securities in accordance with the rules of Bursa Securities and/or cancel subsequently; or
- (iii) to retain part of the Purchased Shares as treasury shares and cancel the remainder.

An immediate announcement will be made to Bursa Securities upon each purchase, resale and/or cancellation of WCT Shares pursuant to the Proposed Renewal of Share Buy-back Authority.

The Board had on 17 March 2021 announced a proposed share dividend for the financial year ended 31 December 2020 to the shareholders of the Company on the basis of one (1) treasury shares for every one hundred (100) existing ordinary shares held in the Company.

(d) **Resale / Transfer Price**

In the case of resale or transfer of the Purchased Shares pursuant to Section 127 of the Act, the Company may only resell or transfer the Purchased Shares on Bursa Securities at:

- (i) a price which is not less than the weighted average market price of WCT Shares for the five (5) market days immediately preceding the resale or transfer; or
- (ii) a discount not more than 5% to the weighted average market price of WCT Shares for the five (5) market days immediately preceding the resale or transfer provided that:
 - (a) the resale or transfer takes place not earlier than thirty (30) days from the date of purchase; and
 - (b) the resale or transfer price is not less than the cost of purchase of WCT Shares being resold or transferred.

3. RATIONALE FOR THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY

The Proposed Renewal of Share Buy-back Authority will enable the Company to utilise its surplus financial resources which is not immediately required for other uses, to purchase its own shares. Such share buy-back is also expected to stabilise the supply and demand as well as the market prices of WCT Shares.

If the Purchased Shares are held as treasury shares and subsequently resold on Bursa Securities at a higher price, there may be a potential gain without affecting the total issued and paid up shares in the Company. Alternatively, the treasury shares may be distributed as share dividends which would serve to reward the shareholders of the Company.

4. POTENTIAL ADVANTAGES AND DISADVANTAGES

The potential advantages of the Proposed Renewal of Share Buy-back Authority are as follows:

- (i) If the Purchased Shares are subsequently cancelled, it is expected to enhance the EPS of the Company and therefore may benefit the shareholders of the Company.
- (ii) It allows the Company flexibility in attaining its desired capital structure.
- (iii) It will provide opportunity for the Company to improve its financial resources if the Purchased Shares are subsequently resold at prices higher than the purchase prices.

The potential disadvantages of the Proposed Renewal of Share Buy-back Authority are as follows:

- (i) The Proposed Renewal of Share Buy-back Authority will reduce the amount of financial resources available for distribution to the shareholders of the Company and may result in the Group having to forgo other investment opportunities that may emerge in the future, or deprive the Company and the Group of interest income that could have been earned on the funds which are utilised for any share buy-back.
- (ii) The working capital of the Group may also be affected, as any purchase of WCT Shares will reduce the Group's cash flow. However, the financial resources of the Group may be replenished if the WCT Shares so purchased and held as treasury shares are later resold in the open market.

The Board will be mindful of the interest of the Company, the Group and the shareholders in implementing any share buy-back under the Proposed Renewal of Share Buy-back Authority and the subsequent resale of the Purchased Shares.

5. FINANCIAL EFFECTS OF THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY

The financial effects of the Proposed Renewal of Share Buy-back Authority are as set out below:

(a) Share capital

The total number of issued and paid-up ordinary shares in WCT will reduce if the Purchased Shares are subsequently cancelled.

The proforma effect of the share buy-back under the Proposed Renewal of Share Buy-back Authority on the share capital of the Company assuming WCT buys back and subsequently cancels up to 10% of the issued WCT Shares as at LPD is as follows:

	Number of WCT Shares
As at LPD	1,418,150,471
Share purchased up to 10% of the total number of issued shares pursuant to the Proposed Renewal of Share Buy-back Authority and cancelled	(141,815,047)
After cancellation of the Purchased Shares under the Proposed Renewal of Share Buy-back Authority	1,276,335,424

The Proposed Renewal of Share Buy-back Authority will not have any effect on the issued and paid-up ordinary share capital of the Company if the Purchased Shares are not cancelled but retained as treasury shares, are subsequently resold or are distributed to the shareholders as share dividends. However, the rights attaching to all the Purchased Shares in relation to voting, dividends and participation in any other distributions will be suspended whilst they are held as treasury shares.

(b) **Earnings**

If the Purchased Shares are retained as treasury shares or cancelled subsequently, the number of shares applied in calculation of the EPS will be reduced, and accordingly the consolidated EPS of the Company should effectively be higher.

However, the effect of any share buy-back under the Proposed Renewal of Share Buy-back Authority on the EPS of the Group will depend on the actual purchase prices and the number of shares purchased, the effective cost of funding, or loss in interest income to the Group or opportunity cost in relation to other investment opportunity. If the shares so purchased are treated as treasury shares and subsequently resold, the extent of the effect on the earnings of the Group will depend on the actual selling price, the number of treasury shares resold and the effective gain/loss arising therefrom.

(c) **NA**

For Purchased Shares which are retained as treasury shares, upon resale, the NA of the Company may increase or decrease depending on whether there is a gain or loss arising therefrom respectively. The quantum of the increase or decrease in NA will depend on the actual purchase price and selling price of the treasury shares and the number of treasury shares resold.

If the Purchased Shares are subsequently cancelled, it will reduce the NA per share of the Company if the purchase price exceeds the audited NA per share of the Company at the relevant point in time and will increase the NA per share of the Company if the purchase price is less than the audited NA per share of the Company at the relevant point in time.

(d) **Working capital**

Any share buy-back under the Proposed Renewal of Share Buy-back Authority is likely to reduce the working capital of the Group, the quantum of which will depend on the purchase price, the actual number of shares bought back and any associated costs incurred in making the purchase.

For shares so purchased which are kept as treasury shares, upon resale, the working capital of the Company may be replenished. The quantum of the increase in the working capital will depend on the actual selling price of the treasury shares and the number of treasury shares resold.

(e) **Dividends**

Any share buy-back under the Proposed Renewal of Share Buy-back Authority may reduce the funds which would otherwise be available for payment of cash dividend in the future.

Nevertheless, the Purchased Shares which are held as treasury shares may be distributed as share dividends to the entitled shareholders of the Company in lieu of cash dividends.

(f) **Shareholdings of Directors and Substantial Shareholders**

The proforma effects of any share buy-back under the Proposed Renewal of Share Buy-back Authority on the percentage of the shareholdings of the Directors and Substantial Shareholders of WCT based on the Register of Directors' Shareholdings and Register of Substantial Shareholders as at LPD respectively, and assuming the share bought back under the Proposed Renewal of Share Buy-back Authority is carried out in full and cancelled, are set out in Table 1 and 2 below:-

8. IMPLICATIONS OF THE CODE

It is the intention of the Board to implement any share buy-back under the Proposed Renewal of Share Buy-back Authority in a manner that will not result in any of the shareholders of the Company having to undertake a mandatory take-over offer pursuant to the Code.

Based on Section 5(f) above, no substantial shareholder(s) are expected to trigger an obligation to undertake a mandatory offer assuming the Company fully purchases up to 10% of its issued shares pursuant to the Proposed Renewal of Share Buy-back Authority.

9. PUBLIC SHAREHOLDING SPREAD

As at LPD, the Company had a total of 1,418,150,471 WCT Shares in issue and its public shareholding spread stood at approximately 67%. Assuming the Company purchases up to 141,815,047 WCT Shares under the Proposed Renewal of Share Buy-back Authority and retains them as treasury shares, and assuming the number of Shares held by the substantial shareholders, Directors and persons connected with the substantial shareholders and/or Directors remain unchanged, the public shareholding spread of the Company would have been reduced to approximately 64% on a pro-forma basis which is still in compliance with the minimum public shareholding spread requirement of 25%.

1. DIRECTORS' RESPONSIBILITY STATEMENT

This Circular and Statement have been seen and approved by the Directors of WCT who collectively and individually accept full responsibility for the accuracy of the information given and confirm that after having made all reasonable enquiries and to the best of their knowledge and belief, there are no other facts the omission of which would make any statement herein false and misleading.

2. MATERIAL LITIGATION

Save as disclosed below, the Group is not engaged in any material litigation, claims or arbitration, either as plaintiff or defendant, and to the best of the Board's knowledge or belief, the Board is not aware of any proceedings pending or threatened against the Group as at LPD:-

(a) Status update on the arbitration proceedings in relation to the cancellation of the Nad Al Sheba Racecourse, Dubai, U.A.E. contract ("the Contract"):

Pursuant to the cancellation of the Contract (previously awarded to WCTB Dubai Branch, a branch office of WCTB and Arabtec Construction LLC ("Arabtec") in a 50:50 joint venture ("the Joint Venture") by Meydan Group LLC ("Meydan or the Employer") for the construction works in relation to the Nad Al Sheba Racecourse Project ("DRC Project") in which the Joint Venture was the main contractor and pursuant further to Meydan's subsequent call on the Joint Venture's bank guarantees, WCTB Dubai Branch, on 11 January 2009, jointly with Arabtec, commenced an arbitration proceeding against Meydan in the Dubai International Arbitration Centre for breach of contract and to enforce the Joint Venture's rights and remedies including the recovery of all amounts due under the Contract as well as damages.

The Joint Venture's dispute and claims had been revised from time to time and the Group's share of the revised claims was in excess of AED1,400,000,000.00 (or approximately RM1,577,590,000.00*).

On 27 February 2013, WCTB was informed by Arabtec that its board of directors had agreed to Meydan's proposal for Arabtec and Meydan to withdraw all pending legal cases as between themselves without prejudice to their respective rights and to proceed with negotiations for an amicable settlement. Pursuant thereto, Arabtec and Meydan had withdrawn their respective claims and counterclaims as against themselves, from the DIAC Case 2/2009. The arbitration proceedings then continued as between WCTB Dubai Branch and Meydan in respect of WCTB Dubai Branch's rights in its share of the Joint Venture's claims namely approximately AED1,400,000,000.00 (or approximately RM1,577,590,000.00*).

On 8 July 2015, WCTB Dubai Branch received the Final Award of the Arbitration Tribunal in DIAC Case No. 02/2009, dated 5 July 2015 ("the Award"), where the Tribunal had found and ruled in favor of WCTB Dubai Branch, amongst others, that:-

1. Meydan's cancellation and purported termination of the Contract was unlawful, invalid and of no effect; and
2. Meydan was not entitled to call on the Joint Venture's Performance Bond and must repay the same.

Consequently, the Tribunal awarded to and in favour of WCTB Dubai Branch, and ordered Meydan to pay WCTB Dubai Branch, a total of AED1,152,651,192.68 (or approximately RM1,298,870,000.00*). Accordingly, WCTB Dubai Branch filed an application for an order to recognise/ratify the Award with the local Dubai Civil Court of Appeals ("WCTB Dubai Branch's Recognition Application") while Meydan both opposed WCTB Dubai Branch's Recognition Application as well as filed an application in the local Dubai Civil Courts to annul the Award

("Meydan Challenges"). On 8 May 2019, the Dubai Civil Court of Appeal issued its decision in respect of WCTB Dubai Branch's Recognition Application by ratifying the Award.

However, on 16 June 2019, the Government of Dubai, through His Highness' Ruler's Court, issued a Royal Decree instructing all actions by or against Meydan to be stayed pending referral to a Special Judicial Committee ("SJC") to resolve all such claims. The SJC was subsequently set up and WCTB Dubai Branch's Recognition Application and both Meydan Challenges were transferred and referred to the SJC on 30 January 2020.

On 10 January 2021, the SJC delivered its decision dismissing both Meydan's Challenges and upheld the Dubai Civil Court of Appeal's decision dated 30/4/2019 recognizing / ratifying the Award.

WCTB Dubai Branch is now pursuing enforcement of the Award against Meydan through the local Dubai Enforcement Court.

(b) In the matter of an arbitration under the Asian International Arbitration Centre (AIAC) (AIAC ref: AIAC/D/ADM-688-2019) Segi Astana Sdn Bhd ("SASB") v Malaysia Airports Holdings Berhad ("MAHB")

SASB had on 21 March 2019 through its solicitors served a Notice of Arbitration dated 21 March 2019 on MAHB, claiming against MAHB a sum of RM70.0 million in respect of losses and damages suffered pertaining to, inter alia, the delay in the commencement of the commercial operation of the KLIA-2 Integrated Complex. The sums are payable pursuant to the Concession Agreement dated 22 September 2011 executed between SASB, WCTB and MAHB ("Concession Agreement").

The parties are currently going through pre-trial procedural steps.

The Board is, after consultation with its solicitors, of the view that SASB's chances of success in the arbitration proceedings are good.

(c) In the matter of an arbitration under the Asian International Arbitration Centre (AIAC) (AIAC ref: AIAC/D/ADM-687-2019) Malaysia Airports Holdings Berhad ("MAHB") v Segi Astana Sdn Bhd ("SASB") & WCT Berhad ("WCTB")

On 2 April 2021, the Arbitral Tribunal has dismissed all claims against WCTB and further issued an award ("Final Award") in favor of the MAHB, comprising the following:

- (a) A declaration that Fixed Monthly Charges on chilled water for the cooling system of the KLIA-2 Integrated Complex at the rate of RM958,849.33 is payable by SASB to MAHB on a monthly basis for 2 May 2014 until and inclusive of September 2020 amounting in total to RM73,832,398.41.

- (e) SASB to pay MAHB RM30,000 for tax payable on the legal fees.
- (f) SASB to pay RM757.26 and SGD883.76 for room booking charges and supervising solicitors charges incurred at the request of the Tribunal.
- (g) SASB to pay RM360,592.89 to MAHB as Arbitrator's Fees and AIAC's Administrative Fee.

(h) SASB to pay 5% per annum interest on all sums payable by SASB to MAHB.

In addition to the above:

- (a) All claims by MAHB against WCTB are dismissed.
- (b) No late payment interest is payable on the amount of RM73,832,398.41 payable to ACES.
- (c) No order is made for sums after September 2020.
- (d) MAHB's claim for an order that SASB enter into a Cooling Energy Supply Agreement (CESA) with ACES is rejected and dismissed.

The Board is seeking further legal advice on the Final Award and will consider and weigh all further options available to the Group including challenging the same.
